I certify that this committee intends to neither receive nor expend more than \$3,000 during the current election cycle under the procedures set forth in G.S. 163-278.10A. This certification will remain in effect until the end of the election cycle for this committee. If this committee exceeds \$3,000 in contributions or expenditures during this election cycle, I understand that I must immediately notify the appropriate board of elections and file required campaign finance reports.

I am withdrawing my Certification to remain under the \$3000 threshold. I will now be required to file the next scheduled report for all contributions and expenditures that have not been previously reported from the beginning of the current election cycle. I further agree to file all future reports required.
